

Coronavirus/COVID-19 Impact Survey

Coronavirus/COVID-19 Impact Survey

As our country & state begin to feel the effects of the coronavirus, we would like to understand its impact on you and your family.

Please help us by taking a short 3-question, online survey, which can be found at the link below.

Your responses will help us locally and nationally to monitor the situation as it evolves and secure critical funding that will help us get food to the people who need it most.

Thank you SO much!
