

Food / Fund Drive Suggested Newsletter Article

The employees / members of ORGANIZATION are hosting a food and fund drive to support the programs and services of the Great Plains Food Bank. We are doing this to support children like Nathan, who often comes to school Monday mornings not having had enough to eat over the weekend. Or for Seniors like Esther, who often has to choose between food and rent. We encourage you to bring in a non-perishable food item(s) to end hunger in our community! Please bring your item(s) to LOCATION during DATE. If you wish to donate funds, please visit www.greatplainsfoodbank.org. Thank you for your help!
